Mrs. Mary A. Dean, Taunton, Mass., in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley Kidney Pills have proven most beneficial in my case."
Mr. Sam A. Hoover, High Point, N. C., writes: "My kidney trouble was worse at night and I had to get up from five to seven times. Now I do not have to get up at night, and consider myself in a truly normal condition, which I attribute to Foley Kidney Pills, as I have taken nothing else."
Mrs. M. A. Bridges, Robinson, Mass., says: "I suffered from kidney ailments for two years. I commenced taking Foley Kidney Pills ten months ago, and though I am 61 years of age, I feel like a 16-year-old girl."
Foley Kidney Pills are tonic, strengthening and up-building, and restore normal action to the kidneys and to a disordered and painful bladder. They act quickly and contain no dangerous or harmful drugs.

the First Tennessee regiment, which is to be ordered to the Mexican border at an early date. Much interest was manifested and as a result, 24 men enlisted their services. The remainder of the 65 men were obtained before 11 o'clock Saturday morning.

Attorney W. C. Salmon made a short talk that inspired the young men to the utmost manifestation of true American patriotism. Mr. Salmon said that within a few short years, the young men of America would be called upon to shoulder the great responsibility of conducting all governmental affairs that the older men would inevitably pass away, and in order that we may be thoroughly prepared to successfully carry on this great work, that we should render some sacrifice and suffer some drudgery in volunteering our services to maintain the honor and patriotism of our country in this crisis. Mr. Salmon said that President Wilson has exhibited much wisdom in maintaining peace thus far, but that if we should be called upon to go to war, we must feel that it is our duty and willingly sacrifice for the love of country. He said that if he was going to give his life for any cause, he would give it for America in preference to any other.

Austin Cabler, who received a commission as captain and was authorized to form this company, was called upon for a speech. Mr. Cabler stated that speech-making wasn't in his line, but he wished to say that it was a special favor conferred upon Columbia to allow them to come into the First Tennessee regiment, that several other places had offered companies, but were turned down to await the action of the young men from Maury county. Speaking from experience, Mr. Cabler said, that a soldier's life was no play work, that every man must do his duty and not shirk it for the other fellow to perform.

John Fleming, who has seen service in the State guard, and who is instrumental in forming the company at this place, said that the company must be completed by 11 o'clock Saturday, and that Adj. Gen. Rogan was to be notified of the fact, and in order that those

who intended to enlist but were kept away on account of the inclement weather, would have a chance to offer their services, called a meeting to be held at the Court House at 10 o'clock Saturday morning.

Those who signed up Friday night are as follows:

J. C. Fleming, Douglass Hall, J. D. Webster, W. A. Ray, H. C. Williams, W. C. Shaw, Albert Fisher Oakes, Wilton Johnson, A. B. Cherry, Geo. Nichols, Jr., R. L. Jackson, W. J. Nicholson, W. W. Chaffin, N. E. Fleming, Jas. W. Cotham, J. L. West, E. T. Sheppard, H. Kelly Morton, H. F. Roach, R. H. Black, George T. McAdams, Maynard Spencer, Austin Cabler, Jesse J. Rayburn and John H. Batts.

INDIANA MAN'S EXPERIENCE.
Frank Moseley, Moore's Hill, Ind., writes: "I was troubled with almost constant pains in my sides and back. Great relief was apparent after the first dose of Foley Kidney Pills and in 48 hours all pain left me." Foley Kidney Pills make kidneys active and healthful and stop sleep-disturbing bladder ailments.—SMISER DRUG CO. (Adv.)

JUNIORS VOTE ON NEW APPLICANTS

BARBECUE IS POSTPONED UNTIL
CANDIDATES ARE INITIATED
INTO THE ORDER.

The Junior Order United American Mechanics met in regular session Thursday night and the large list of applicants secured during the recent campaign was voted upon. Eight new members were also received into the order.

It was decided to postpone the barbecue until all the new candidates have been initiated into the order. In the meantime, the committee in charge will find a suitable place and name the date. Many members favor the idea giving a moonlight picnic along with the barbecue in Judge McKnight's front lawn on the Hampshire pike. This will probably be taken up and discussed next meeting night. If this is decided upon, the ladies will be invited to participate.

CRIMINAL RECORD FOR PAST YEAR IN COUNTY GOOD

ONLY ONE INDICTMENT FOR EVERY 250 OF THE POPULATION.

LIQUOR SELLING MOST NUMEROUS

Less Than One-Half Of One Per Cent Of The People Must Answer in the Courts For Their Misdeeds During The Twelve Months.

There were returned by the grand juries of Maury county during the year from May 1, 1915, to May 1, 1916, a total of 159 true bills. This is an indictment for every 250 people of the county, the population being, by the last census, 40,000. As a matter of fact, several bills were returned against the same individual so that it is safe to say that not more than 150 of the citizens of the county committed during the year crimes of sufficient magnitude to warrant action by the grand jury. It should also be remembered, that during the year in question the grand juries of the county were of the very highest type and no complaint was ever registered that indictments could not be obtained where proof was presented.

This record shows that the people of Maury county are a law-abiding people. Less than one-half of one per cent, considerably less than that, during the year committed crimes of sufficient magnitude to warrant any action upon the part of the grand jury. This means that of all kinds of offenses the monthly average in the county was only about thirteen.

Nearly half of the indictments returned were for violation of the liquor laws, there being sixty-nine for this offense. The next crime in point of popularity with the criminals was that of house-breaking and larceny, for which twenty bills were presented. There were six true bills for murder and ten for assault to commit murder; fifteen for larceny and seven for forgery.

The following abstract furnished by Circuit Court Clerk Samuel A. Hays, shows the number indicted for each crime during the past year:

Selling whiskey without license	69
Pettit larceny	7
Grand larceny	8
Embezzlement	2
Murder	6
Assault to commit murder	10
Assault to kill	3
Assault to rape	1
Unlawful knowledge	2
Perjury	2
Forgery and passing forged checks	7
House-breaking and larceny	20
False pretense	2
Vagrancy	6
Gaming	2
Lewdness	1
Keeping a disorderly house	6
Public drunkenness	5
Total	159
Divorce cases	25

PROMINENT FIGURE IN POLITICS
OF STATE IN COLUMBIA.

Senator Andrew L. Todd, of Murfreesboro, was a visitor to Columbia Friday. He is engaged in the mortgage loan business and stated that he would probably open a branch office in this city. Senator Todd has long been a conspicuous figure in the politics of the state, having served several years as county superintendent, then as assistant state superintendent and for the past four years in the legislature. He is not sitting as a member of the court of impeachment for the reason that his brother-in-law, Hunter Wilson, was appointed to fill the vacancy caused by the impeachment of the defendant, Attorney-General Estes.
